

Summer Camps 2009

We have a great line up of full day “Rockin” summer camps scheduled at all three of our schools. Registration has just begun and an on line form that you can print off and bring in to our schools is available by clicking here ([Printable Summer Music Camp Registration Form](#)) Please be sure to call first as space is limited!

Purpose of our Camps

We want our campers to have a fantastic musical experience that will inspire them to go on, either on their own, through private lessons, or join one of our professionally run rock bands etc. Several of our camps are open to campers with no prior experience playing an instrument but most of them require campers to have at least 1 year of experience taking private lessons or playing on their own.

Camp length

All our camps are one full week, Mon-Fri. full day, from 9:00AM- 4:00PM in length. We do not offer pre or post camp care as our camps are happening during regular school lessons. Students should be dropped off and picked up promptly. The Schools will be open at 8:45 AM each morning and remain open until 9PM. There are no pre or post activities planned, but any camper is welcome to wait for the camp to start or a ride home in our Café area.

Maturity and Behavior- Important

Our camps are designed to be fun and educational and we are looking for campers that have a desire to play, learn, and have fun. Our camps are set up to be focused on music and learning to play real instruments taught by professional musician/player/instructors. The camp will have sessions that are group related and then sessions where each camper will be asked to work independently on an assigned task. The instructor will come by and spend one on one time during these sessions. Campers must be able to work in this manner. There is no room or time for discipline issues as the instructor is there to focus on the music aspects only. If you do not think your child is mature enough, then please hold off on enrolling them. Campers who misbehave in any way that is distracting to the group, will be given a warning, and then parents will be contacted if a second warning is needed. If the behavior continues, parents will be contacted and the camper will be asked to leave the camp. There will be no refunds given for campers asked to leave due to discipline issues. This is the only way to be fair to the rest of the group in the camp.

Ages of Campers

Our camps are designed for campers ages 9 and up. We usually have ages grouped such as Pre-Teen 9-12 and Teen 13 and up. Campers in these age categories work best together. Please note recommended ages we have listed next to each camp.

Size of our Camps

Our camps have a minimum of 5 and a maximum of 10 campers. This ensures personal attention and plenty of hands on for all campers.

Camp Fees

All camps are \$275.00 for the entire week, which includes all fees and materials, morning and afternoon snacks, and lunch. Payment in full must be made at time of registration. We reserve the right to cancel any camp due to lack of attendance, etc. Should any camp be cancelled for any reason prior to the camp start date, a full refund will be made. Due to the limited number of spots we have available, no refunds will be given for camps within two weeks prior to the camp start date if a camper must cancel. We accept Cash, checks and most credit Cards (no AMEX) for payment for camps.

About the Instructors

All of our instructors are Professional Musicians/Educators and have extensive teaching and performing experience. They approach their instrument(s) with enthusiasm and passion, as music is their life! Each Instructor's bio and picture can be seen and reviewed in the bio section.
